Organization Mission/Goal: Community Future Westman is a community-based, volunteer driven				
organization that strengthens the economy of southwestern Manitoba by operating a Business Development				
Center, and by cooperating with individuals, communities and other agencies to encourage community economic				
development.				
What services/resources do you offer members of the community?		Do you have any resource that you would be willing to share/lend to other groups?  (eg:tables/chairs/space/volunteers)		
Our offerings include small business loans, training and advisory services. As well we work on community development projects if the community or organization see there is a fit for us.		None locallybut we have a meeting room in Brandon that other organizations are welcome to use.		
		Some staff can volunteer for events as well if available		
This is where other organizations can let you know that they are interesteed in collaborating with you. If you are an				
organization that is interested in collaborating, please write your organization name and contact information below.
