Organization Mission/Goal:

To build an offleash dog park for Virден & Area residents, and their dogs, to socialize and exercise safely.

What services/resources do you offer members of the community?

Currently we are fundraising.
We are available to hire to work events with all wages going directly to the Dog Park, or could also potentially add a fundraising activity to a large event.

Do you have any resource that you would be willing to share/lend to other groups?
(eg:tables/chairs/space/volunteers)

We could be a potential location for dog friendly activities, pending the Town of Virденs' permission.

This is where other organizations can let you know that they are interested in collaborating with you. If you are an organization that is interested in collaborating, please write your organization name and contact information below.
